Sir,

Rc.1119 K2/54 dated 3-9-1955.

Sub:-Colleges-Government Arts college, Mangalore-Introduction of Elements of Commerce and Accountancy in the Intermediate class-Employment of a Tutor

-H-9-10 cfs-

In their order Ms.No.667 Edn. dated 18-4-55, Government sanctioned the introduction of 'Elements of Commerce and Accountancy" in the Intermediate in the Government Arts college, Mangalore from the year 1955-56. This course has been opened with 30 students.

2. While submitting proposals for the introduction of this course, it was considered that the additional work of the Commerce Department in 1955-56 could be handled by the existing staff of one Lecturer and one Assistant Lecturer. But it is now found that the work of the Department comprises 22 hours of lecture and correction of 220 note books, which is too much for the existing staff. The University, in granting affiliation, has stipulated that a Tutor be appointed with effect from 1955-56. The two existing members of the staff can do only 20 or 22 hours of lecture work and correct about 100 note books. To correct the remaining 120 note books, the immediate appointment of a tutor in Commerce is necessary which will satisfy the stipulation of the University and conduce to the efficient working of the Department

3. In the circumstances, I request Government may be pleased to sanction the employment of one Tutor in Commerce in the Government Arts college, Mangalore upto 30-6-1956.

Yours faithfully,

For Director of Public Instruction.
